Modena
CONTINUOUS NATURAL COATING

www.graphenstone.ca

Modena

Modena is a **decorative natural coating** for walls and floors with which you can achieve a **high decoration finish**.

A versatile product that can be treated as a **continuous material** allowing the same finish on both vertical and horizontal surfaces.

Thanks to its formula with **graphene technology** and its **lime base**, is more resistant and highly breathable. Therefore it allows you to **decorate in a healthier way**.

The Colours of the Earth

Pigments are available in 16 different colours.

Colours are approximate and may vary from the original colour.

Pigmentation

Modena 15.75 Kg	x4 u. 250ml	Solid Pigment*
