# Siena

Natural Paint for interiors with a matte finish. Thanks to its mineral nature and graphene technology, Siena is ideal for projects with **bio-habitability** and **environmental sustainability** criteria.

Its **natural lime base** is breathable and allows the walls to breathe, while also providing you a **greater welfare and a comfort** feeling.

Thanks to its formula with **graphene technology**, it is resistant to cleaning, providing a **high performance** and guaranteeing a **perfect coverage**.
