Venetta

NATURAL COATING FOR VENETIAN STUCCO FINISH

www.graphenstone.ca

Venetta

Natural **venetian stucco** coating for exterior and interior high decoration finish. It allows an **easy application** with a trowel and has a great shine. This product can be finished in **gloss or matte** finish.

Its **natural lime base** is breathable and allows the walls to breathe, also providing you a **greater welfare and a comfortable** feeling.

Thanks to its formula with **graphene technology**, Venetta is also resistant in exterior walls. It also provides **great performance** and **versatility.**

The Colours of the Earth
Pigments are available in 16 different colours.
